Answers to the Most Frequently-Asked Questions:*

- Q.** What is a Fidelity Bond, and why does my firm need one?
- A.** A Fidelity Bond insures your firm against intentional fraudulent and dishonest acts committed by your employees and registered representatives under certain specified circumstances. Besides being a FINRA requirement, having a Fidelity Bond just makes good business sense.
- Q.** How do I determine what minimum limit of liability I need to carry?
- A.** According to Rule 4360 of the FINRA Manual, if your required net capital under SEC Rule 15c3-1 is less than \$250,000, then you are required to carry a Fidelity Bond in the amount of 120 percent of your required net capital or \$100,000, whichever is greater. If your required net capital is \$250,000 or greater, please refer to FINRA Rule 4360 to determine your minimum required bond limit.
- Q.** Does this policy satisfy the ERISA Fidelity Bond requirements for my in-house pension and profit-sharing plans?
- A.** Our Fidelity Bond allows you to add these plans at no additional cost, subject to the limit of your firm's Fidelity Bond. If your firm's limit falls short in satisfying your ERISA requirements, you will still need to carry a separate ERISA Bond for those plans unless you choose to increase your firm's Fidelity Bond to the limit of your ERISA requirement. If you require a separate ERISA Bond, AMBA also offers this product.
- Q.** What other products are available to broker-dealer firms?
- A.** AMBA offers a variety of insurance products including Cyber Privacy Liability, Errors & Omissions Liability, Directors & Officers Liability, Employment Practices Liability, Signature Guarantee Medallion Bonds, and many more. For more information on these or other products, please contact us at **1-800-978-6273** or visit our website at www.brokerdealercoverage.com.
